

THE MICROFLUIDIC CIRCLE

is a professional community of individuals and companies created by uFluidix to bring together those who share one goal: help commercialize and grow the field of microfluidics. In this regard, the Circle interconnects business experts, engineers, scientists, investors, startups and the industry to promote collaboration toward introducing more successful microfluidics products.

JOIN US AS A MENTOR!

MENTOR'S ROLE

As a mentor, you will help one or more startups during the development or commercialization of their microfluidic-related product. New ventures have different needs that could be addressed with a few hours of your precious volunteer time.

AREA OF EXPERTISE

- BUSINESS DEVELOPMENT
- ENTREPRENEURSHIP
- MARKETING STRATEGY
- HUMAN RESOURCES
- PRODUCT DEVELOPMENT
- FINANCE
- REGULATORY AFFAIRS
- LAW

QUALIFICATIONS

There are no formal qualifications required to become the Microfluidic Circle startup mentor, although it is essential that the mentor is sufficiently equipped in terms of knowledge and experience in his area of expertise.

Length of commitment

No commitment.

Time Contribution

Depends on your availability. Could be a couple of hours per month or more.

Meetings

The frequency and length of meetings will be decided upon your availability.

Meeting place

Mostly online (by email/Skype/phone).

JOIN US AS A MENTOR!

BENEFITS

- Be the change maker
- Re-energize your professional growth
- Become a valued member of the Microfluidic Circle community
- You may evaluate opportunities for more in-depth involvement with the ventures you are mentoring such as becoming a **board member**, **advisor**, **investor**, **co-founder**, or **team member**.

Compensation

Volunteer position.

Startups

Tens of Circle's startups look forward to your guidance and support.

HOW TO JOIN US AS A MENTOR?

- 1 Go to Circle website: <http://circle.ufluidix.com/mentors/>
- 2 Click  button.
- 3 Complete mentor's application form.
- 4 Once we receive your application, we will publish your profile on the website and match you with the relevant startups.

Please share this information with your friends, colleagues and anyone else who might be interested in becoming a mentor for The Microfluidic Circle.
